May 12, 13 & 14 2017

BMX Zolder (B)

Welcome in Heusden - Zolder

BMX Club Circuit Zolder and Circuit Zolder are honored to welcome you for the first time in our club history at the UCI BMX SX World Cup. Together with UCI, our BMX club has once more managed to bring a spectacular BMX event to Belgium. More good news is that BMX Zolder will organize a Challenge race during the SX races! On our schedule this year we also had the UEC BMX European Cup round 1&2 and we will host the Belgian BMX Championship on July 2nd.

The club, established in 2008, lies in the center of the super-competitive race area of Circuit Zolder. The 4-kilometre long track was built in 1963 and celebrated its 50th anniversary in 2013. Since this date, a wide variety of cars, motorbikes and trucks have raced on the track, from Formula 1 to FIA GT1. And all of this in our BMX Club's own backyard.

Lots of cycling events have also taken place on the Circuit Zolder site, such as the UCI Road World Championships in 2002 and the UCI Cyclocross World Championships in the same year. In 2016, Wout Van Aert became world champion cyclocross right here at Circuit Zolder. Did you know that the first competition to ever take place on the circuit was actually a cycling race? And the BMX Club has been part of this story since 2008. Since then, the club has become the biggest in Belgium, with 170 race license holders. Moreover, the Lotto BMX-track is the permanent training facility for the national BMX-team!

The battle in Heusden – Zolder will take place on the Lotto BMX Track at Circuit Zolder.

The track is 384m long and has 1 pro section. The bends are all in asphalt and the track has a “Graustabiel” surface that allows us to ride in all weather conditions.

Currently we are using both a 5 and an 8m Pro Gate start gate and a MyLaps Timing System. A 200 lux LED lighting system allows us to ride at any time of the day.
