DEAR GUESTS, WELCOME TO AHNATAL!

We are very proud and excited, to welcome all athletes, teams, officials and spectators to our international "3-Nations BMX-Cup 2017 Round 1" Race in Ahnatal, in the middle of Germany!

The "3-Nations BMX-Cup" is now one of the biggest BMX-Racing Series in Europe!

2012 was the opening ceremony and the first race on our track, from 2014 and 2016 we had our first international Races!

Maybe, in the future, we host one of the UEC-rounds?

AHNATAL:

The municipality of Ahnatal was created within the framework of municipal reform in Hessen on 1st August 1972 by the merger of the villages of Weimar and Heckershausen. Since that time experienced a steady upswing Ahnatal is today an interesting and popular, through a variety of clubs, associations and public institutions distinct residential community in the direct surroundings of the city of Kassel, at the edge of the nature park Hawk forest between Dörnberg and Stahlberg. Ahnatal far has a millennial history. You can even assume that people here have already lived in the 4th century before Christ's birth. Finds from this period are testimony.

We hope to meet you all here in Ahnatal, you are welcome!

GENERAL RULES:

The UCI regulations, in particular Title 6, Racing regulations BMX in the last published edition, are applicable to the 3-Nations-Cup.

FRONT- AND SIDEPLATES:

The front- and side plates are provided by the organizing committee of the 3 Nations Cup in 2017. The use of these front- and side plates during races and training sessions for the 3 Nations Cup is compulsory. The plates will only be provided once and are therefore to be used during all three races which form part of the 3 Nations Cup. In case the plates are no longer usable due to damaging or faded print, the rider is responsible to purchase a new set of plates. When the rider is not using the provided plates during races or training sessions for the 3 Nations Cup, the rider will not be included in the results and will therefore receive a DNS as result.

When a rider is seen without an official plate during training sessions, he or she will receive an official warning; a subsequent offence will result in disqualification from the event.

The plates will be provided to the riders by the national team manager or Chef d'Equipes of each country on registration at the races.

PEDAL CLICK SYSTEMS:

The use of interlocking pedal click systems is only allowed for riders holding a license for the age of 11 and older during races and training sessions.
