# About Peer

Located in the Belgian province of Limburg, Peer is a city steeped in history and vibrant community spirit. With over 16,000 inhabitants, Peer is the bustling center of the electoral district of Peer and belongs to the judicial district of Houthalen-Helchteren.

## Origin and Naming

The name 'Peer' originates from ancient writings, where it was first mentioned as 'Pederio' around 725 AD. Later, the name evolved to 'Pirgus' and 'Pyra', which presumably refers to a paved road. Some sources suggest that the name comes from 'Perre' or 'Parre', meaning "enclosed place".

## Culture and Community

Today, Peer thrives as a hub of culture and community. From historic landmarks such as the Sint-Trudokerk and the former town hall to vibrant events such as the Belgium Rhythm 'n' Blues Festival, Peer exudes an atmosphere of tradition and dynamism.

With a wide range of sports facilities, including the impressive Snow Valley and offcourse Peer BMX, Peer is also known for its active sports scene and community spirit.

## Future

While building on its rich heritage, Peer also looks to the future with optimism and determination. Through sustainable development and cultural innovation, Peer remains a prosperous and inspiring place for current and future generations.

# Our sponsors

We extend our sincerest thanks to our sponsors for their generous support, which has been instrumental in the success of our event. Your contributions have made a significant impact, and we are truly grateful for your partnership.

# Rulebook

## GENERAL RULES

The UCI regulations, in particular Title 6, Racing regulations BMX in the last published edition, are applicable to the 3-Nations-Cup.

## FRONT- AND SIDEPLATES:

The front- and side-plates are provided by the organizing committee of the 3 Nations Cup in 2024. The plates will only be provided once and are therefore to be used during all three races which form part of the 3 Nations Cup. In case the plates are no longer usable due to damaging or faded print, the rider is responsible to purchase a new set of plates against a fee of € 10,00. In case of a rider not using the provided plates during races or training sessions for the 3 Nations Cup, the rider will not be included in the results and will therefore receive a DNS as result. In case a rider is seen without an official plate during training sessions, he or she will receive an official warning; a subsequent offence will result in disqualification from the event. The plates will be provided to the riders by the national team manager or Chef d' equipes of each country on registration at the races.
